Re: Proposed Reassignment Boundary Change of Theodore Roosevelt High School, Patrick Henry Elementary School and Helge A Haugan Elementary School

Dear Staff and Local School Council Members:

Chicago Public Schools (CPS) is committed to providing every child from every community with a high quality education that prepares them for success in college and in life. CPS students continue to make record-breaking academic progress in every part of the city. Our vision is that all CPS schools can build on this progress by offering high quality, rigorous instruction from talented educators that help put Chicago students on a path to lasting success.

Theodore Roosevelt High School (Roosevelt) is located at 3436 West Wilson Avenue and currently serves 1,103 students in grades seven through twelve.

During the School Year 2017-18, the school communities of both Patrick Henry Elementary School (Henry) and Helge A Haugan Elementary School (Haugan) requested a reassignment boundary change in a letter dated October 18, 2017 to allow both Henry and Haugan to offer seventh grade in the 2018-19 school year and eighth grade in the 2019-20 school year.

In consideration of the request made from the Henry and Haugan school communities, I am proposing the reassignment boundary change of Henry, Haugan and Roosevelt so that Henry and Haugan can serve kindergarten through eighth grades and Roosevelt can serve ninth through twelfth grades by the school year 2019-20.

This proposal is consistent with the Chief Executive Officer's Guidelines for School Actions (Guidelines) because it is a proposal requested by parents or community members via the process to request proposals outlined in the Guidelines. Specifically, we have heard the request for this proposal from the Henry Local School Council and the Haugan Local School Council. Furthermore, the resulting space utilization after the reassignment boundary change will not exceed any affected schools' enrollment efficiency range, as defined by the CPS' Space Utilization Standards.

If this proposal is approved by the Board of Education of the City of Chicago (Board), effective July 1, 2018, Henry and Haugan will serve kindergarten through seventh grades and Roosevelt will serve eighth through twelfth grades. Further, effective July 1, 2019, Henry and Haugan will serve kindergarten through eighth grades and Roosevelt will serve ninth through twelfth grades.

If you would like more details about the proposed reassignment boundary change, please refer to the Draft Transition Plan that is included with this letter.

As a next step, CPS will hold two community meetings and one public hearing to hear further feedback on CPS' proposal (meeting information is below). Following the meetings and hearing, the Board of Education may vote on this proposal as early as February of 2018.
